GUARDIAN AIR

THE ULTIMATE SOLUTION FOR A HEALTHY ENVIRONMENT

- Perfect for homeowners and businesses that want ultimate indoor air quality protection
- The only air purifier on the market that uses an exclusive combination of technologies, including ion generation, a better-than-HEPA filter, Photocatalytic Oxidation and our proprietary ActivePure Technology.
- Portable, no installation required
- Uses ActivePure[®] Technology to create pristine air quality and attack contaminants on surfaces
- Ten unique features include technologies to capture 99.97% of particles as small as 0.1 micron
- Whisper-silent operation and purifies up to 2000 sq. ft.
- Destroys VOCs, smoke and odors without ozone
- ActivePure is the only air purification technology in the world granted the Certified Space Technology seal by the Space Foundation
- 5-year limited warranty available (terms and conditions apply)
- Operates 24/7

TECHNOLOGY ORIGINALLY DEVELOPED FOR SPACE

The Energy Star certified Beyond Guardian Air provides better-than-HEPA filtration and proprietary ActivePure Technology which is based on technology originally developed by NASA researchers for use on the International Space Station. It is recognized exclusively, worldwide, as Certified Space Technology.
